

## Requirements for payments to Jordan (JO)

As per decision of the Central bank of Jordan, a 4-digit purpose code should be used for all payments to Jordan, irrespectively of currency.

The code must be placed in the first line of the **Details of Payment** field.

If the purpose code is not provided in the payment instruction the receiving bank might ask for it, which can cause a delay in the payment.

See below list for valid purpose codes.
