## **Seminar invitation: Status and outlook for the Core Banking Programme**

**You are invited to join us for a presentation and Q&A about the status and outlook for our Core Banking Programme, with Joseph Edwin, Head of Core Banking at Nordea.**

The coming three years will be a transition period in order to generate a truly digital bank. Digitalization and the rapid change in customers' preferences towards using online and mobile solutions are transforming the banking industry.

The new Core Banking Platform is a key part of Nordea's Simplification Programme aimed at meeting the bank's 11 million customers' needs going forward. Products and processes are currently being simplified and as part of the programme the current banking systems will be replaced with new core banking and payment platforms in the coming years.

The presentation will be webcasted at [Nordea.com](http://Nordea.com).
