

Nordea Finland - Women's Finance Insight Programme 2023

Nordea is currently inviting bachelor and master students to the second edition of our Women's Finance Insight Programme. The programme will serve as an introduction to Investment Banking & Equities (IB&E), and we wish to offer you valuable insights to the life as a banker at Nordea.

Throughout the programme, you will enhance your skills in finance and meet professionals from our Investment Banking and Equities divisions. You will learn how these divisions interlink as well as how we integrate ESG in our work. You will participate in case cracking and workshops with our experienced teams, and for the final session we will host a closing dinner to summarise the programme.

The sessions will be conducted in the Nordea offices with in-person workshops. Participants of the programme will have the possibility to get a fast-track to the interview process for 2024 internships within Investment Banking (spring/summer/fall 2024).
