DELISTING

On 11 January 2022 TechnipFMC (FTI FP) announced that the stock will be delisted from Euronext Paris on 18 February 2022.

On 15 February 2021, Technip announced the completion of a spinoff which implied that its shareholders received one share of Technip Energies (TE FP) for every five shares of Technip FMC (FTI FP) held.

Following the spinoff, the issuer decided to replace TechnipFMC (FTI FP) with a basket. This implied that the Final Price was calculated as follows: $1.0 \times$ the Closing Price for FTI FP on the relevant Valuation Date + $0.2 \times$ the Closing Price for TE FP on the relevant Valuation Date.

However, due to the delisting of FTI FP from Euronext Paris, it will be replaced by FTI UN, listed on the New York stock Exchange, with effect from 2022-02-18. Hence, the final price of the basket will be calculated as follows: $1.0 \times$ the Closing Price for FTI UN on the relevant Valuation Date + $0.2 \times$ the Closing Price for TE FP on the relevant Valuation Date.
