

Nordea Account structure

Corporate eGateway

1. Nordea Account structures

The purpose of this document is:

- A) To provide an overview of the possibilities for customer to send and receive BBAN and IBAN account numbers vis-à-vis Corporate eGateway
- B) To explain the various debit account holder and beneficiary account structures within Nordea, when sending payment instructions or when receiving debit advices or account statements from Nordea's Corporate eGateway service

Note: Not applicable "n/a" indicates that the message type currently is not offered.

2. IBAN and BBAN in various messages for Nordea countries

Below is an overview of available IBAN and BBAN structures within Nordea. The overview is describing the IBAN & BBAN availability of Nordea **debit** Account Holder's account number.
