## DISCLAIMER

If the reference assets are equities or equity baskets the issuer may due to market disruption or extraordinary event, at its sole discretion, make adjustments in the composition of the assets and the calculation of the yield or value of notes or replace one reference asset with another reference asset, to the extent that the issuer deems necessary in order for the calculation of the yield or value of notes to, in the issuer's opinion, reflect the manner in which yield or value was previously calculated. Additionally if the reference entities of credit-linked notes are comprising in any index, the Issuer may reflect changes of such index in the notes.
