Nordea Norway is currently inviting Bachelor and Master students to the six edition of our Women's Finance Insight Programme. The programme will serve as an introduction to Investment Banking & Equities (IB&E) and Markets, and we wish to offer you valuable insights to the life as a banker at Nordea.

Throughout the programme, you will enhance your skills in finance and meet professionals from our different divisions. You will learn how these divisions interlink and participate in case cracking & valuation workshops with our experienced teams, with opportunity for questions and networking.

The first or final session will be held at our Oslo office and will include a dinner. Nordea will cover domestic travel and accommodation costs for participants.

Participants selected for the programme will also meet professionals involved in recruitment across IB&E and Markets and gain valuable insight into career opportunities and the recruitment process.
