- 4.3 Before we stop a Payment Instrument we will inform you that we intend to do so and give you our reasons. If we are unable to inform you in advance we will do so immediately afterwards. As soon as practicable after the reasons for stopping the Payment Instrument cease to exist, we will re-activate or replace the Payment Instrument.
- 4.4 You will use the Payment Instrument in accordance with the terms and conditions governing its issue and use. When you receive a Payment Instrument you will ensure that you take all reasonable steps to keep your Personalised Security Information safe. To comply with this you must:

You agree that we may provide this confirmation in the form of a simple "Yes" or "No" communication immediately in response to each such request.
- 4.7 Where you have instructed a registered account information service provider or authorised payment initiation service provider to access your Account, we may refuse this access where we have reasonably justified and duly evidenced concerns relating to either unauthorised or fraudulent access to your Account by such Payment Service Providers.

5 Execution of Payment Transactions

On request we can provide you with a) the maximum execution time; b) the Fees payable in respect of the Payment Order; and c) where applicable, a breakdown of the amounts of such Fees. If you do not specify a Debit Value Date, then we will commence the execution of the Payment Transaction on the same day that we receive your Payment Order, provided that if we do not receive the Payment Order on a Business Day or if we receive it after the relevant Cut-off Time, then unless agreed otherwise we are deemed to have received the Payment Order on the following Business Day.
- 5.2 You are responsible for ensuring that the funds required for the Payment Order and any relevant Fees are available to us when we receive the Payment Order. If we have been unable to debit your Account when we receive the Payment Order because of insufficient funds, we may debit your Account within three Business Days after the time of receipt. You are liable for any consequences resulting from such delay.
- 5.3 We are entitled to suspend the execution of a Payment Order in order to acquire necessary additional instructions or information.
- 5.4 In executing a Payment Order we are not obliged to take account of the purpose of the Payment Transaction or any time requirements or other special conditions, unless required to do so by law.

 - (e) there is another justified reason for not executing the payment.
- 6.2 If 6.1 applies, then as soon as possible, and in any event within three Business Days of receiving the Payment Order, we will notify you (in accordance with clause 20) of the refusal, our reasons for doing so and the procedure for rectifying any factual errors that led to the refusal. However, we will not be obliged to contact you where this would be unlawful.
- 6.3 We may charge you a Fee for notification of non-execution of a Payment Order.

7 Cancellation or amendment of Payment Orders

- 7.1 You can instruct us to stop a payment from your Account by notifying us in accordance with clause 20. If you are stopping a direct debit you must also tell the person to whom the direct debit is payable. After we receive your instruction we will stop the payment, provided that:

 - (b) you give us sufficient details and time to process your request;
 - (c) if it is a direct debit payment you instruct us to cancel the payment no later than the Business Day before the Debit Value Date; and

Outgoing payments

8.1 If the relevant Payment Order relates to a payment transaction:

- (a) in euro;
- (b) executed wholly within the United Kingdom in sterling; or
- (c) involving only one currency conversion between the euro and sterling, provided that
 - (i) the currency conversion is carried out in the United Kingdom; and
 - (ii) in the case of cross-border payment transactions, the cross-border transfer takes place in euro; then

we will credit any funds transferred under a Payment Transaction to the Payee's Payment Service Provider's account in accordance with the information on Cut-off Times and Value Dates referred to above, and in any event no later than by the end of the Business Day following the time of receipt of the Payment Order. However, if the relevant Payment Order is a paper Payment Order the funds are credited to the Payee's Payment Service Provider's account by the second Business Day following the time of receipt of the payment order.

8.2 If the relevant Payment Order does not fall within paragraph 8.1, but is to be executed wholly within the EEA then we will ensure that the funds are credited to the Payee's Payment Service Provider's account by the end of the fourth Business Day following receipt of the Payment Order.

8.3 If you, acting as Payee, initiate a Payment Order we will transmit it to the Payer's Payment Service Provider within the time limits agreed between us.

8.4 When, following a Payment Transaction, we receive funds to be paid into your Account we will credit those funds to your Account on the same Business Day that the funds have been paid into our account provided that:

- (a) we have received the details of your account from the Payer; and
- (b) we have received the funds before the relevant Cut-off Time.

Incoming payments

8.5 Where:

- (a) the Payment Transaction does not involve a currency conversion; or
- (b) the Payment Transaction involves only a currency conversion between the euro and pounds sterling/another EU member state currency, between pounds sterling and another EU member state currency or between two other EU member state currencies

then the amount of the Payment Transaction will be available to you once we have received that amount into our account.

For payments in other currencies we will credit your Account and make the funds available to you in accordance with the information on Cut-off Times and Value Dates referred to above.

9.1 Subject to making the necessary arrangements with us (including entering into any supplementary terms we may require), you may deposit or withdraw cash from a branch of HSBC. If you do so, the funds will not reach us immediately. We will make the funds available to you on the same day that we receive the funds into our account provided that:

- (a) we have received the details of your account from HSBC or other relevant third party cash service provider (as the case may be);
- (b) the currency has been converted, where applicable; and
- (c) we have received the funds before the relevant Cut-off Time.

- 11.1 We are entitled to convey the information listed in clause 3 to the Payee's Payment Service Provider. The payment is also accompanied by any other information needed for the transmission of the payment. In credit transfers, the Payer's name information equals the name of the account holder.
- 11.2 The Payee's Payment Service Provider gives the Payee the details on the Payment Transaction in a manner agreed specifically. The Payee's Payment Service Provider is not obliged to give the Payee any information on a personal customer given for the identification of the Payer, such as the personal identity number.

12 Our liability for execution of Payment Order and limit of liability

- 12.1 We are not liable for any action taken by any other party in a Payment Transaction, or for their solvency.
- 12.2 We are not liable for the execution of a Payment Order if it involves a currency conversion and no exchange rate is quoted for the currency of the payment.
- 12.3 You are required to inform us of any unauthorised Payment Transaction without undue delay as soon as you become aware of it and in any event within one month of the debit date. If we are responsible for an unauthorised Payment Transaction being debited to your Account we will refund the amount of the Payment Transaction to your Account and treat the Payment Transaction as if it had never occurred. However, you are not entitled to refund of the funds or any other amount, if the Payment Transaction has not been executed due to an error/omission made by you.
- 12.4 If you have given us incorrect Account name or information, we are not liable for non-execution or defective execution. However, we will make reasonable effort to recover the funds involved in the Payment Transaction. We may charge you a Fee for this. If it is subsequently discovered that the Payment Order has been correctly executed, we may charge you a Fee for the unnecessary investigation of the Payment Transaction.

13 Correction of bank's own error

We are entitled to correct errors resulting from our own action or omission, such as a misprint, miscalculation or similar technical error, even if the payment had already been credited to the Payee's account. Once we are aware of it, we will seek to rectify the error as soon as reasonably practicable. We will promptly notify you of the error and its correction without delay.

14 Liability for damages and limitations on liability

- 14.1 We are liable to compensate you only for reasonable costs you incur as a direct consequence of our non-execution or defective execution of Payment Transactions where caused by our breach of our statutory obligations or gross negligence or wilful misconduct. We are not liable for any other costs or loss sustained by you or by other parties or Payment Service Providers to the Payment Transaction.
- 14.2 We shall not be liable for any loss or damage to you for our failure to perform any of our obligations under this Framework Contract arising from any cause or causes beyond our reasonable control including (but not limited to) any of the following: an act of God, governmental act, war, fire, flood, explosion, armed hostilities, act of terrorism, catastrophe, strike, lock out, sit in, industrial or trade dispute, adverse weather, electronic, telecommunications or computer failure or any failure of any agent or correspondent or unavailability of any payment system.

- 14.3 Notwithstanding anything to the contrary in the Payment Services Conditions, we shall not be liable to you for any contravention of a requirement imposed on us by the PSD Regulations, where such a contravention is due to abnormal and unforeseeable circumstances beyond our control, the consequences of which would have been unavoidable despite best efforts to the contrary or where the contravention is due to our obligations under applicable law.
- 14.4 You are liable for all losses incurred as a result of non-transmission of any payment or non-execution of a Payment Transaction because of insufficient funds, a terminated Account agreement or a suspended or closed Account. You are also liable for any damage caused by you by action which is in breach of law or this Framework Contract.
- 14.5 You must take all reasonable measures to limit the loss you have suffered. If you fail to do so, you may be liable for some of your loss.

- 16.2 We are entitled to debit Fees from your Account.
- 16.3 If we incur costs in connection with the transmission of the payment we are entitled to receive compensation for such expenses from you in arrears.

We may take whatever action we consider appropriate to meet any obligations, either in the UK or elsewhere in the world relating to the prevention of fraud, crime, money laundering or terrorist activity and the provision of financial and other services to persons who may be subject to sanctions.

- 19.3 Carrying out the activities mentioned above may delay the carrying out of payment instructions or the receipt of cleared funds, but where practicable, we will advise you of the reasons for any delay or stop and the likely length of any delay. If we have a reason to believe that a payment into or from your account is unlawful, we may decline to process it.
