# 16. Authorization for the board of directors to decide on issue of convertible instruments in the Company

Background: New rules on capital requirements consisting of an EU Regulation and an EU Directive, the so-called CRD IV package, entered into force in 2014. Within the framework of the capital requirements rules, loss absorbing capital instruments can be used to meet parts of the capital requirements. The board of directors proposes that the annual general meeting authorizes the board of directors to issues such capital instruments.

The board of directors' proposal: The annual general meeting resolves to authorize the board of directors for the period until the next annual general meeting, on one or several occasions, with or without preferential rights for existing shareholders, to decide on issue of convertible instruments, and then the amount that the share capital may be increased with at full exercise of the convertible instruments shall be maximum ten per cent of the Company's share capital, which would correspond to issuance of 404,995,191 new ordinary shares calculated on the current amount of ordinary shares issued in the Company. Issue of convertible instruments by virtue of the authorization shall be done on market conditions.

The purpose of the authorization is to facilitate a flexible and efficient adjustment of the company's capital structure to the capital requirements. The authorization means that the board of directors will be able to swiftly carry out issues without firstly holding an extraordinary general meeting, which the board of directors considers appropriate with regard to that these capital instruments principally are intended to be issued in the international debt market. The board of directors intends to use the authorization if the board of directors judges that the capital trigger level at which conversion shall take place is at such a level that gives the shareholders and the board of directors the possibility to act in good time and propose alternatives to conversion.

The board of directors' proposal: The annual general meeting resolves that the Company, in order to facilitate its securities business, up until the next annual general meeting, may purchase own ordinary shares according to chapter 7 section 6 of the Swedish Securities Market Act (*Sw. lagen (2007:528) om värdepappersmarknaden*). However, with the limitation that the Company's holding of such shares in the trading book must never exceed one per cent of the total number of shares in the Company. The price for the ordinary shares shall equal the market price prevailing at the time of the acquisition.

#### 18. Guidelines for remuneration for executive officers

The board of directors' proposal: Nordea shall maintain remuneration levels and other employment conditions needed to recruit and retain executive officers with competence and capacity to deliver on the strategy and targets thus enabling Nordea to become a Great European bank. The term "executive officers" shall in this context mean the CEO and deputy CEO of Nordea Bank AB (publ) and the executives who are members of Group Executive Management (GEM). Remuneration for executive officers will be decided by the board of directors in accordance with Nordea's internal policies and procedures, which are based on the Swedish Financial Supervisory Authority's (SFSA) regulations on remuneration systems, national implementation of the EU's directive on capital requirements for banks as well as international sound compensation practices. Salaries and other remuneration in line with market levels constitute the overriding principle for compensation for executive officers at Nordea. Compensation for the executive officers shall be consistent with and promote sound and effective risk management and not encourage excessive risk-taking or counteract Nordea's long-term interests.

Annual remuneration consists of fixed salary and variable salary. Variable salary to the executive officers will be offered as an Executive Incentive Programme 2016 (GEM EIP 2016) to reward performance that meets predetermined targets at Group (GEM members responsible for second line of defence, i.e. Head of Group Management and Head of Group Compliance, do not have Group level targets), business area/group function and individual level. The effect on the longterm result is to be considered when determining the targets. The outcome from GEM EIP 2016 will be paid over a five-year period in cash and be subject to forfeiture clauses, Total Shareholder Return indexation and retention based on the SFSA's regulations on remuneration systems, taking account of domestic rules and practices where relevant. GEM EIP 2016 has a one year performance period and the outcome shall not exceed the fixed salary. The executive officers were offered a similar programme year 2013, 2014 and 2015 (GEM EIP 2013, GEM EIP 2014 and GEM EIP 2015). In accordance with SFSA's remuneration regulations guaranteed variable salary is to be exceptional and may only occur in the context of hiring a new executive officer and then be limited to the first year of employment. Non-monetary benefits are given as a means to facilitate executive officers' performance. The levels of these benefits are determined by what is considered fair in relation to general market practice. The executive officers shall be offered retirement benefits in accordance with market practice in the country of which they are permanent residents. Fixed salary during the period of notice and severance pay shall in total not exceed 24 months of fixed salary for executive officers. The board of directors may deviate from these guidelines if required due to new remuneration regulations or if there are other special reasons for this in a certain case.

- 19. Approval of the merger plans between
- a) the Company and Nordea Bank Danmark A/S,
- b) the Company and Nordea Bank Finland Abp and
- c) the Company and Nordea Bank Norge ASA

## **Background and motive**

The board of directors of the Company, as transferee company, has, together with each of the boards of directors of Nordea Bank Danmark A/S, Nordea Bank Finland Abp and Nordea Bank Norge ASA, as transferor companies, prepared joint merger plans (together, the "Merger Plans") which were signed by each board of directors on 4 February 2016 and will subsequently be registered with, and publicly announced by, the relevant registration offices in each country.

As further detailed in the Merger Plans, the assets and liabilities of each transferor company shall be transferred to the Company through a cross-border merger by way of absorption of a wholly-owned subsidiary (together, the "Mergers") pursuant to applicable legislation in each country. As follows from the Merger Plans, the objective of the Mergers is to simplify the legal structure of the banking group in which the Company is the parent company in order to strengthen corporate governance, decrease administrative complexity and enhance efficiency. This is to be done through a so-called branchification, whereby the business activities which today are conducted by the Company's Danish, Finnish and Norwegian banking subsidiaries, *i.e.*, the transferor companies, after the respective Merger will be conducted by branches of the Company. For this purpose, the Company has pre-existing branches in each of the relevant countries.

After the execution of the Mergers, the business activities of the transferor companies will, to the extent they originate from Denmark, Finland and Norway, be conducted by the Company through branches in each of the relevant countries. However, the mortgage credit operations of Nordea Bank Finland Abp will not be included in the Merger relating to Nordea Bank Finland Abp. Instead, all assets and liabilities relating to such mortgage credit operations will be separated from Nordea Bank Finland Abp prior to the execution of the Merger relating to Nordea Bank Finland Abp, since the Company is a non-Finnish company and therefore will not be able to obtain the necessary covered bond licence pursuant to the Finnish Covered Bond Act. The Swedish business activities which today are conducted by the Company will continue to be conducted by the Company without any changes due to the Mergers.

As the transferor companies are wholly-owned subsidiaries of the Company, no merger consideration will be paid.

The Mergers will be executed when the relevant registration offices have registered the Mergers in the relevant companies registers, whereby the legal consequences of the respective Merger enter into force. This date is planned to occur on 2 January 2017. Upon such registrations, the transferor companies are dissolved.

## **Conditions for the execution of the Mergers**

The execution of each Merger by the Company and the relevant transferor company is subject to the following conditions, as applicable:

- (i) that the annual general meeting of the Company on 17 March 2016 resolves to approve the respective Merger Plan;
- (ii) that the boards of directors of:
  - a. Nordea Bank Finland Abp resolves to approve the Merger relating to Nordea Bank Finland Abp on or about 17 March 2016;
  - b. Nordea Bank Norge ASA resolves to approve the Merger relating to Nordea Bank Norge ASA on or about 17 March 2016; and
  - c. Nordea Bank Danmark A/S resolves to approve the completion of the Merger relating to Nordea Bank Danmark A/S no later than on 2 January 2017;
- (iii) that all approvals, authorisations, consents and other decisions by relevant authorities, including but not limited to any assessments and advance decisions by relevant tax authorities, have been obtained on terms and conditions which are acceptable to the Company and the relevant transferor company according to their respective board of directors; and

(iv) that the respective Merger is not prohibited or, in the opinion of the board of directors of the Company, impeded, in whole or in part, by any applicable laws and regulations, any change in the practices of relevant authorities or courts (including but not limited to changes in the interpretation and amendments of relevant laws and regulations) or any other reason deemed significant by the board of directors of the Company.

The board of directors' proposals: The annual general meeting resolves to approve (a) the Merger Plan relating to Nordea Bank Danmark A/S, (b) the Merger Plan relating to Nordea Bank Finland Abp and (c) the Merger Plan relating to Nordea Bank Norge ASA.

#### **Authorisation**

The board of directors of the Company, or any person appointed by it, shall be authorised to make such minor adjustments to the annual general meeting's resolutions as may be required in connection with the registration of the Mergers.

Each resolution of the annual general meeting on items (a)–(c) above is valid only where

supported by shareholders holding not less than two thirds (2/3) of both the votes cast and the shares represented at the general meeting.

The nomination committee comprises Torbjörn Magnusson, chairman of the committee, appointed by Sampo Plc as a shareholder, Mogens Hugo, appointed by Nordea-fonden as a shareholder, Katarina Thorslund, appointed by Alecta as a shareholder, Anders Oscarssson, appointed by AMF and AMF Funds as a shareholder, and Björn Wahlroos, chairman of the board of directors.
